

## Lesson 9. Liz's House

1a.  Listen and read about Liz's house and answer the question: Which is Liz's room?

I live in a big house. There's a hall, a large living room, a kitchen, and a bathroom downstairs. There are four bedrooms and a bathroom upstairs.

My parents' room is the biggest. It's nice, but my room is nicer.

In my room, there's a table, a wardrobe, a bookcase, and a bed. There are books in the bookcase. There's a beautiful carpet on the floor. I like my room very much. I usually tidy my room on Saturday.

The most popular (популярная) room is the living room. We usually have dinner and watch TV there together. My younger sister and brother play with their toys. And they make a mess (беспорядок)! I help them to tidy the living room. They're little, you know.

**1b.**  **Look, read the text, and say whose bedrooms they are (A–D).**
