a pedal boat

His journey began in London, Britain. He travelled through Europe by bike and then across the Atlantic Ocean by pedal boat. Then Jason rollerbladed through Central America where he had an accident¹. He broke both of his legs and spent nine months in hospital. When Jason left the hospital, he continued rollerblading up to San Francisco. He travelled across the Pacific Ocean to Australia in his pedal boat. In the ocean a white shark attacked the pedal boat's propeller, making that journey extra dangerous²!

Jason went across Australia by bike and then up to Singapore [ˌsɪŋəˈpɔːr], an island country in Asia, by boat. Then he biked again from Singapore to China [ˈtʃaɪnə]. When he travelled from China to India on foot, he got malaria [məˈleəriə]. He continued his journey from India to North Africa by boat, from Africa to Europe by bike.
